Principles of Arya Samaj

1. God is the efficient cause of all true knowledge and all that is known through knowledge.
2. God is existent, intelligent and blissful. He is formless, omniscient, just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immanent, un-aging, immortal, fearless, eternal and holy, and the maker of all. He alone is worthy of being worshiped.
3. The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and to hear them being read.
4. One should always be ready to accept truth and to renounce untruth.
5. All acts should be performed in accordance with Dharma that is, after deliberating what is right and wrong.
6. The prime object of the Arya Samaj is to do good to the world, that is, to promote physical, spiritual and social good of everyone.
7. Our conduct towards all should be guided by love, righteousness and justice.
8. We should dispel Avidya (ignorance) and promote Vidya (knowledge).
9. No one should be content with promoting his/her good only; on the contrary, one should look for his/her good in promoting the good of all.
10. One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare all should be free.

The Mission of Doaba College

is to promote learning to students and faculty to achieve excellence in education

- Educate all with emphasis on making education accessible to the underprivileged.

Message

Dear Students,

I warmly welcome you to the portals of Doaba College, Jalandhar, a Multi-Faculty Co-educational Postgraduate Pioneer Institution of North India. UGC has conferred college with status of College with Potential for Excellence (CPE). College has been emancipating qualitative education in the region for more than 80 years and is celebrating its Platinum Jubilee this year. Doaba college has carved a niche by successfully setting up Jalandhar's first campus Community Radio Raabta 90.8 MHz under the Ministry of Information and Broadcasting, Government of India. The college is also conferred with coveted DBT Star College Status and I am glad that recently Department of Mathematics has been included in DBT Star College Scheme.

Doaba college has taken a lead in the region by successfully running four year integrated course BA B.Ed/B.Sc B.Ed which is providing ample opportunities to the students in the education sector. Moving sync with time, we must empower and strengthen our traditional courses with the new technologies and its mega reach. The ultra modern infrastructure of the college provides an ideal ambience for high-quality educational programmes making it the first choice of students in professional, vocational as well as traditional education at graduate and postgraduate level.

In COVID 19 pandemic scenario the current situation is posing a challenge for one and all but I am glad that college has handled this challenge deftly and was able to implement online teaching successfully. Globalization has brought higher education to the forefront. There is a brilliant child locked inside every student. An idea can turn to dust or magic, depending on the talent that rubs against it. It is not what is poured into a student, but what is planted. Watch your thoughts, they become words. Watch your words, they become your actions. Watch your actions, they become habits. Watch your habits, they become character. Watch your character, it becomes your destiny. Life of a student has become conscientious because of stiff competition-but here in this campus you will find holistic development of your personality so as to prepare you to handle the academic rigours in your personal as well as intra-personal life. Doaba College epitomizes and recognizes such a need and promises to fulfill this goal by equipping its students with a potential to excel in all the walks of life.

Principal Dr Pardeep Bhandari has taken charge of this great temple of learning. I hope he and his team will garner greater glories in the years to come and carve a new place and achieve new heights of glory and success. Wishing you a happy and purposeful bright academic career and comfortable stay in Doaba College - an institution that turns possibilities into realities.

Chander Mohan

President

Message

Doaba College has been majestically adorned by UGC with *College with Potential for Excellence* (CPE) status by UGC. Recently, Doaba College has also been conferred with Star College Status by DBT, Government of India which will provide new impetus to science education and create brilliant opportunities to the students of the region. College has completed 80 years in the realm of imparting higher education.

This temple of learning was established by great philanthropists viz Sh. Bindraban Sondhi, Raizada Bhagat Ram Sondhi, Lala Achhru Ram Sehgal, Lala Jagan Nath Mittal, and various other great souls. College was headed previously by learned and farsighted former principals who played prominent role in the progress of this prestigious institution. These noble souls have made unmatched contribution to establish this institution with the sole aim of promoting education for all. We are committed to maintain these values.

We envisage to take college to new heights of glory under stewardship of worthy President of College Managing Committee Sh. Chander Mohan. We would like to create a positive congenial environment for students and staff, make students more employable by further improving teaching-learning systems, and use technology as a tool to make our systems more effective and adaptive to the changing times. During last five months we have implemented relevant modules viz Event Report Management System (ERMS), Research Publication & Compilation System (RPCS), Online Leave Management System and launch of Online Admission System etc in order to modernize college administration.

Here in Doaba College we have a fine blend of traditional and latest professional courses related to Journalism & Mass Communication, Computer Science & Information Technology, Tourism & Hotel Management, Biotechnology, Commerce & Business Management and Education fields etc. This reputable seat of temporal learning has state of the art infrastructure to catapult young minds to shape the future of country.

Keeping pace with time the college is going to start *Skill Development Courses* from this session viz Certificate Course in Tally, Organic Farming, Internet of Things, Basics of Computer & Internet, Culinary Arts, Bakery/Confectionary, Snacks Making, Tailoring & Dress Designing, Painting & Craft, Video Editing, Audio Editing, Photography & Coaching for Teacher Eligibility Test CTET/PSTET. We are sure that these courses will give impetus to students to excel in all the walks of life

I have joined as the eleventh Principal of prestigious and legendary institution of North India. Heading an institution like Doaba College, Jalandhar is a great honour. May God give me the strength to fulfil my responsibilities and come up to the expectations of all the stakeholders. As the stream of talents flows from this College to the world, join us to create and discover a new world.

College Profile

Celebrating 80 years of Excellence

Star Status College

by DBT, MoST, Govt. of India (Only Govt. Aided College in Punjab)

Doaba College, Jalandhar is one of the oldest Multi-Faculty Postgraduate Co-educational Premier Institution of North India. It was founded on January 1, 1941 by great visionary and philanthropist Sh. Bindraban Sondhi to impart quality education on the principles of Arya Samaj in the Doaba region. Social reformers like Rai Bahadur Badri Dass and philanthropist Sh. Jagan Nath Mittal later contributed towards the development of this august institution. The foundation of Doaba College was laid to promote the study of classical Sanskrit, Hindi and teachings of Vedic Dharma, Gandhian values and to promote the philosophy of Maharishi Dayanand Saraswati. Thus, the primary mission of these philanthropists was to impart value based quality education for transforming Indian youth into good human beings. It was conceived as a part of the national movement for freedom with education as a potent means to arouse public opinion to fight against the imperialism and safeguard the rich cultural heritage of India. Its mission and objective was to enlighten the youth and make them vigilant citizens of the society.

The institution has constantly flourished under the dynamic leadership of earlier Rai Bahadur Badri Dass, Seth Stya Paul, Sh. Balbir Raj Sondhi and Sh. Virendra, Nationalist and Freedom Fighter. Now it is progressing and touching new heights of glory under the able guidance and dynamic leadership of Sh. Chander Mohan, President of Arya Shiksha Mandal and the Managing Committee of Doaba College.

The basic aim of the college is to provide quality education to the students, character-building, moulding and shaping the career of the students so that the students excel in all walks of life. Doaba College provides an excellent opportunity to students to flourish their skills and groom their personalities. The students of Doaba College have touched great heights at national and international levels. The College is known for providing value based, employment oriented traditional and professional education to the students to keep pace with the demands of the 21st Century, especially exploring the new avenues in the fields of Computer Science & I.T, Biotechnology, Commerce & Management, Journalism & Mass Communication, Tourism and Hotel Management, in addition to the traditional courses in the faculties of Science, Commerce & Arts. We acknowledge the role of UGC, GNDU & DPI (Colleges) which have encouraged us to start career oriented and other skill development courses in this institution, which shall increase employability of the students in various fields. The GNDU administrative hierarchy is always promptly supportive and we are indebted to them.

Limited Seats : Students can join these courses within the prescribed dates of admission. There are limited seats in all these courses and the admission will stop as soon as the required number of seats in a particular course are filled.

Eligibility Certificate: Those students who have passed their lower examinations from other University/ Board (other than Punjab/ Punjabi University & P.S.E.B. Mohali) are required to obtain Eligibility Certificate from the university.

Late Admission : The Principal is authorized to permit the late admission or recommend admission to Vice Chancellor but normally this will be extended only in rare cases subject to the availability of seats. In case of students whose University or Board result is declared late, no late fee will be charged if they apply for admission within ten days of declaration of the result.

Provisional Admission : Those students who have appeared in final exams of the lower classes and their results are not yet declared may also apply for admission in higher classes, provisionally, subject to the eligibility by GNDU.

How to Seek Admission & Documents Needed

The application for admission is to be made on the prescribed printed form available from the college Library along with the Prospectus. It should be accompanied by:

- A certificate from father/mother/guardian of the applicant to the effect that he/she is joining the college with his/her permission.
- A passport size photograph.
- A certificate of good moral character from the Head of the institution last attended.
- University or School Education Board Certificate of having passed the lower examination. An attested copy of this certificate should be attached with the admission form.
- In case of students from other Universities / Boards, Migration Certificate from the concerned University / Board is to be attached.
- Eligibility Certificate from the GNDU Amritsar. The certificate is, however, not required in case of students

migrating from one university to another university in Punjab.

- The Candidate is required to appear personally for admission.
- Application without photograph shall not be accepted.

Rules for Change of Subject/Faculty

- Application without the signature of father/guardian of the applicant will not be considered.
- In case of change of subject from Science group to Arts group, Science fee paid in the previous course will not be refunded.
- Students changing from Arts to Science group will have to pay science fee for full session.
- Change of subject will be granted at the student's own risk. No benefit of the lectures attended in the previous subject can be given for the new subject.
- Change of subject will be permitted only once.
- No application will be entertained after the last date of change of subject i.e. 10 days after the last date of admission.
- The student shall have to deposit fee for the change of subject.

Undergraduate COURSES

Registration of Admission

Candidates may register themselves any time by the payment of Rs. 5000/-. Registered students will be given preference if they fulfil the eligibility criterion for admission. If registered student fails to get admission within seven days after the declaration of result, he/she cannot claim for the seat or refund of the registration amount. The amount shall not be refunded if admission is offered by the college but refused by the candidate.

Refusal of Admission

The Principal has full power to refuse admission to an applicant without assigning any reason.

Note : While every care is taken to screen eligibility before admission is granted, the responsibility for ensuring that he/she is eligible lies on the student.

RAGGING: PROHIBITION, PREVENTION AND PUNISHMENT

The University Grants Commission vide its letter no F.1-16/2007 (CPP-II) dated June 17, 2009 has reiterated the ban on ragging of students in Institutions of Higher Learning. The students are therefore directed to strictly desist from any kind of ragging.

Forms of Ragging: Display of noisy, disorderly conduct, teasing, excitement by rough or rude treatment or handling, including rowdy, undisciplined activities which cause or are likely to cause annoyance, undue hardship, physical or psychological harm or raise apprehensive fear in a fresher, or asking the students to do any act or perform something which such a student will not do in the ordinary course and which causes him/her shame or embarrassment or danger to his/her life, etc.

PUNISHMENT FOR PARTICIPATION IN/OR ABETMENT OF RAGGING :

1. Cancellation of admission.
2. Suspension from attending classes.
3. Withholding/withdrawing scholarship/fellowship and other benefits.
4. Debarring from appearing in any test/examination or other evaluation process.
5. Withholding results.
6. Debarring from representing the institution in any national or international meet, tournament, youth festival, etc.
7. Suspension/expulsion from the hostel.
8. Rustication from the institution for periods varying from 1 to 4 semesters or equivalent period.
9. Expulsion from the institution and consequent debarring from admission to any other institution.
10. Fine up to Rs. 25,000/-

Ragging is conspicuous by its absence-both in the Hostels and the campus of Doaba College, Jalandhar. Principal and the members of anti-ragging cell are always vigilant and the campus is totally free of ragging.

AFFIDAVIT BY STUDENTS AND PARENTS :

Each student and his/her parents/guardian shall have to furnish an affidavit alongwith the application form to the effect that they will not participate in or abet the act of ragging and that, if found guilty, shall be liable for punishment under the penal law of India.
